Ref: MB-INSA-LTR-2026-001 **Date:** 10 November 2026
Asset code: MB-ESB-001 East Africa Time (Africa/Nairobi)

To:
The Director General
Information Network Security Administration (INSA)
Addis Ababa, Ethiopia

Through: Hibir cyber security audit portal (*audit.hibir.et*) — asset registration

Subject: Official letter requesting registration of the information-system asset *MaJo e-School Bridge (MayaBela)*

Dear Sir / Madam,

Majo Bridge Technologies and Events PLC hereby submits this official letter and respectfully requests INSA to **register the following information-system asset** on the national audit portal, and to accept the supporting documents attached to this request.

Asset name	MaJo e-School Bridge (MayaBela)
Asset type	Web Application
Asset code	MB-ESB-001
Asset version	1.0.6
Owner / operator	Majo Bridge Technologies and Events PLC
Product URL	https://www.majobridge.com
Classification	CONFIDENTIAL children’s school records (need-to-know access)

The following documents are submitted with this letter on the same Hibir asset record:

1. Requirements Documentation (SRS) — MB-SRS-001
2. System and Architecture Design Document (SDD) — MB-SDD-001
3. Technical Specifications (TDD / LLD) — MB-TDD-001
4. User Documentation (User Guide) — MB-UG-001
5. Security Documentation — MB-SEC-001 (product CSMS evaluation R3: PASS · Mature 86/100 under the INSA Cyber Security Audit and Evaluation Guideline v1.0)
6. Tester access pack — MB-TEST-001 (environment and desks; synthetic-school passwords issued to named testers at kickoff)

This letter is a **request to register the asset** so that evaluation may proceed. It is not itself a gazetted INSA certificate. Live classroom systems are not taken offline by this filing. We remain available at the contacts above to issue tester access and to answer questions.

Respectfully submitted,

Nebil Ahmed
