This proposal is a one-time commercial offer for MaJo e-School Bridge. It states the published unit price of every module in this schedule, the minimum order, and the one-time implementation fee. It does not cover subscription, annual support, hosting retainers, or any other recurring charge. Those will be issued in a separate financial proposal.

COMMERCIAL CONDITIONS

1. Minimum order: 25 modules. Selections below 25 modules are not offered under this proposal.
2. The Academy may select any combination of 25 or more modules from the schedule. Each selected module is charged at its published unit price.
3. Four login portals (Administration/ERP, Teacher, Parent, and Student) are included with any qualifying order. They are not sold as modules.
4. Customization and go-live is a one-time implementation fee of 500,000 ETB, payable with the module licence.
5. Subscription, annual support, and other recurring payments are excluded from this document and will be proposed separately.
6. This offer is valid for 90 days from the date of this proposal. All prices are VAT exclusive.
7. This schedule supersedes document MBT-LIA-FIN-2026-01 for Lebawi International Academy.

ONE-TIME INVESTMENT · THIS OFFER · VAT EXCLUSIVE

49 modules at published unit prices	**3,425,000 ETB**
Customization and go-live (one-time)	**500,000 ETB**
Sub-total (VAT exclusive)	**3,925,000 ETB**

All prices are VAT exclusive. VAT at 15% is added in Schedule B. Indicative USD of the VAT-exclusive sub-total: ~24,531 USD.

A selection of 25 or more modules is charged at the unit prices in Schedule A, plus the implementation fee. All prices are VAT exclusive. VAT at 15% is added on the complete calculation in Schedule B.

1. Purpose and scope

This financial proposal presents a one-time sale of MaJo e-School Bridge to Lebawi International Academy. The Academy purchases a licence to the modules it selects, together with one-time customization and go-live. The schedule that follows is the commercial price list for this offer. It may also be used as a standard one-time offer for any school that adopts the same selection, subject to a fresh covering letter.

2. What this proposal covers

- One-time licence to each selected module at the unit price in Schedule A.
- One-time customization and go-live of 500,000 ETB, covering policy alignment, data load, branding, training, and launch.
- Four login portals included with any order of 25 modules or more.
- The right to operate the selected modules on web and mobile app for the Academy.

3. What this proposal does not cover

- Finance, Payroll, and Human Resource.
- Live GPS, Transport, Buses, Digital operations, Campus Management, CCTV, and Register Driver.
- The Driver login portal.
- Subscription or SaaS fees.
- Annual or multi-year support retainers.
- Recurring hosting, SMS, or third-party payment gateway charges.
- Hardware, cameras, GPS devices, or school-owned equipment.
- Any order of fewer than 25 modules.

Finance, payroll, human resource, live GPS, transport, buses, digital operations, campus management, CCTV, and driver registration are omitted from Schedule A and from every total in this document. No price is stated for them.

4. Minimum order

The minimum commercial order under this proposal is 25 modules. Lebawi International Academy may select 25, 26, or any greater number, including all 49 modules in this schedule. The amount payable for modules is the sum of the published unit prices of the modules selected. The implementation fee of 500,000 ETB is added once, regardless of how many modules above the minimum are taken.

5. Price categories

Every module belongs to one published price category. Category names describe the commercial band, not a ranking of the school's offices.

PREMIUM	95,000 ETB per module — Core engines: marks, student records, LMS, roles, and compliance.
HIGH	75,000 ETB per module — Major operating workflows that connect to those engines.
MID	65,000 ETB per module — Defined office desks, including Maya Assistant, Events, and Gallery.
STANDARD	50,000 ETB per module — Create and list screens.
LITE	35,000 ETB per module — Portal preferences, password help, settings, and the home view.

6. Payment

- 40% on signing of the agreement.
- 40% on delivery of the selected modules for user-acceptance review.

· 20% on go-live.
· The contract currency is Ethiopian Birr. All prices are VAT exclusive. VAT at 15% is added in Schedule B.

Schedule A · Module price list

Tick at least 25 modules. Each ticked module is charged at the unit price shown. All unit prices are VAT exclusive. This schedule contains 49 modules. Login portals are included and are not listed as priced modules.
