### English — what each body should remember

| You are                        | You will use                                                                                                                    | The rule                                                       |
|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------|
| Directors /<br>Principal / VP  | Dashboard, reports, grade approvals, campuses                                                                                   | Leadership sees the school every morning in one place          |
| Quality assurance              | Findings, improvement plans, overdue follow-up                                                                                  | QA records. The duty owner closes. Directors see overdue items |
| Student affairs /<br>registrar | Students, alumni, discipline, leave, parent-link, transfers                                                                     | Parents link with Student ID + date of birth; school approves  |
| Classroom teachers             | Teacher dashboard: My Classes, Attendance, Homework, Grades, Timetable, Gallery, Messages, Student Affairs                      | You enter; leadership publishes. Parents see posted homework   |
| Students                       | Student dashboard: Profile, Grades, Homeworks and Assignments, e-Book, Attendance, Timetable, Announcements, Calendar, Messages | You see your own school work — never a draft mark              |
| Parents                        | Parent dashboard: My Children, Attendance, Homework, Grades, Fees, Bus Tracking, Messages, Behaviour & Leave                    | You see your child only — never an unapproved mark             |
| Drivers                        | Transport dashboard: My Route, Live Map, Passenger List, Scan QR, Pick-up / Drop-off                                            | Parents see “live” only while you are sharing                  |
| All staff who communicate      | Announcements, gallery, calendar, internal messages                                                                             | The school speaks in one place — not four WhatsApp groups      |
| Finance / store / HR           | Fees, inventory, payroll, leave, staff documents, library, clinic, canteen                                                      | Money, stock, and staff files leave a trail                    |

**The sentence:** Teacher enters → leadership approves → then the parent sees.

**Modules in the room today:** office ERP plus the teacher, parent, student, and transport dashboards — student affairs, QA, classroom, alumni, gallery, announcements, calendar, messages, homework, fees, store, HR.

**Pilot:** 30–60 days, one campus or grade band, then expand.

Commercial terms are discussed separately with Fenote Raey management.

ባለቤት፣ ዳይሬክተር፣ የተማሪ ጉዳይ፣ የጥራት ማረጋገጫ፣ መምህር፣ ወላጅ፣ ተማሪ እና ሹፌር በአንድ የትምህርት ቤት መታወቂያ ይገባሉ። ሌላ ትምህርት ቤት መረጃዎን አያይም።

- መምህር ውጤት ያስገባል → አመራር ያጸድቃል → ከዚያ ወላጅ ያያል።
- የተማሪ ጉዳይ፣ የአለምኒ መዝገብ፣ የክፍል አስተዳደር፣ የቤት ሥራ፣ ማስታወቂያ፣ ጋለሪ፣ የቀን መቁጠሪያ እና ውስጣዊ መልእክት በስርዓት ናቸው።
- ወላጅ ልጅን የሚያገናኘው በተማሪ መታወቂያ እና በትክክለኛ የልደት ቀን ነው። ትምህርት ቤቱ እስኪያጸድቅ ድረስ አይከፈትም።
- የባስ አካባቢ ሹፌሩ ሲያጋራ ብቻ “በቀጥታ” ይታያል።
