1. Recitals

WHEREAS Fenote Raey Academy wishes to purchase, on a **one-time** basis, a complete school operating system covering academics, student records, operations, parent engagement, transport, and institutional governance; and

WHEREAS MaJo Bridge Technologies and Events PLC is the developer of the **MaJo Bridge Smart School Operating System** (also demonstrated at <https://mayabela.pages.dev>) and will install, configure, train, and support the School; and

WHEREAS the Parties have agreed a lump-sum price of **ETB 2,550,000.00 including VAT**, with a first payment of **ETB 400,000.00 including VAT** on signing, and the remaining balance paid in four equal terms of **ETB 537,500.00 including VAT**, each due every four (4) months after the previous payment;

NOW, THEREFORE, the Parties agree as follows.

2. Nature of the Sale

This is a **one-time sale**, not a monthly or yearly software subscription. The Contract Price covers: (a) a perpetual licence for Fenote Raey Academy to use the System for its own school operations; (b) installation and configuration; (c) training; and (d) support and production hosting for twelve (12) months from Go-Live, as set out in Clause 11. No further licence fee is due for the software itself after the Contract Price is paid in full.

3. Contract Price (VAT inclusive)

Total Contract Price (lump sum, one-time, fixed for the Scope in this Agreement)

ETB 2,550,000.00

Two Million Five Hundred Fifty Thousand Birr, including VAT (15%).

Total Contract Price	2,550,000.00	333,913.04	2,216,086.96

VAT is calculated as 15/115 of each VAT-inclusive amount, in accordance with Ethiopian VAT. The School shall pay the VAT-inclusive figures in Clause 10. The Provider shall issue a valid tax invoice for each payment.

4. Payment Schedule

The School shall pay the Contract Price as follows. All amounts are in Ethiopian Birr and **include VAT**. After the first payment on signing, each next payment is due **four (4) months after the previous payment** — not every month.

- Payments shall be made to the Provider's nominated Ethiopian bank account, stated on the invoice.
- Late payment beyond fifteen (15) calendar days of a due date may pause non-critical customization after written notice, without cancelling amounts already due.
